

# THANK YOU FOR REGISTERING FOR THE PIEDMONT PUMPKIN EXCURSION 2020

We are so exciting you are outward bound this October and ready to raise awareness and funds for Family Shelter Services! Family Shelter Services is a private non-profit organization operating a 52-bed emergency homeless shelter in Warrenton and 24-unit transitional housing in Vint Hill that helps nearly 400 people annually. All of the proceeds from this excursion will go to the operation and maintenance of FSS facilities. As FSS receives no state or federal funding and relies primarily on community giving, we greatly appreciate your participation in this fun and worthwhile event.

## FIRST THING FIRST ... YOU NEED A MAP!

You can print the PDF version at home, or you can pick up a printed map at either Family Shelter Services location where you'll find a special surprise commemorating your commitment to this great cause! Look for the extra-large mailbox with PPE event signage at the Warrenton Emergency Shelter or Vint Hill Transitional Housing. Please help yourself to an individually packaged map and surprise!

## NOW IT IS TIME FOR YOU GO TO AL'S PUMPKIN PATCH TO PICK UP YOUR PUMPKIN!

Head to Al's Pumpkin Patch at 335 Sullivan Street in Warrenton where you may select any pumpkin of your choosing for this adventure. Keep in mind the coupon below is good for one [1] small pumpkin only per registrant and is valid until October 31, 2020.

## AFTER YOU'VE DECORATED YOUR PUMPKIN [OR NOT] MAKE YOUR FIRST STOP!

Select a stop along the route of Proud Sponsors and Local Business Participants. Once you get to a stop, find the Piedmont Pumpkin Excursion signage. Take a creative snap of you with your pumpkin and post it to our Facebook page @FamilyShelterServices. Remember to pin your location so other travelers know where the fun is AND #thepiedmontpumpkinexcursion so everyone who follows you knows how cool you are!
